Now that we are back it is now time to get back to business. Teachers and students have been working very hard to get things back to normal. Homework is already in full swing and the athletic and arts programs are moving right along as well. We are hoping everyone has a successful 2017-2018 school year. Athletics and Arts

The Carroll County School System is very excited about the opening of the new Performing Art Center that is located directly behind the Carroll County Board of Education. The beautiful new center will allow Carroll County students the opportunity to perform in a state of the art performing arts facility. Students, parents, and staff are anticipating all of the upcoming events in the new facility. Carroll County also kicked off the football season with a cross county rivalry game between Villa Rica High Wildcats and the Central High Lions. The Wildcats came away with the win with a 41-13 victory that took place at Villa Rica's stadium.
