

Special Diets

School Nurses will have a Special Dietary Needs form available for parents to have completed by a licensed Physician or PA.

To be able to provide your student with a safe environment and meal, the School Nutrition manager needs these forms to be completed as detailed as possible.

If you have any questions or need assistance, please call 770-832-3568 and ask to speak with School Nutrition Director, Bridgett Cross.

Substitutions of foods will be made within reason.
