DISTANCE LEARNING
DAY OVERVIEW

Carroll County Schools will implement Distance Learning Days as needed. A Distance Learning Day will be used as a replacement day(s) rather than adding additional make-up day(s) at the end of the school year.

In the event of a school closure, Carroll County School System will communicate with Carroll County families using the following methods:

· District Website, carrollcountyschools.com
· Social Media
· School Messenger
· Local Media Outlets

Students will be able to access assignments using Google Classroom. For details about Google Classroom click here. For questions regarding assignments, please email your teacher in Google Classroom.

Daily class schedules for elementary, middle, and high school students are available in the Distance Learning section of the district website. The district will annouce if live online instruction will occur.

We appreciate your partnership to support student success through our Distance Learning Program!
